AMENDMENT UNDER §1.116

In response to the Final Rejection Action dated June 23, 2010, please amend the above entitled application as follows.

Please amend paragraphs [0039] and [0048] of the substitute Specification, as set forth in **Attachment C-1**.

Please amend the claims as set forth in **Attachment C-2**.

The amended claims are believed allowable for the reasons set forth in **Attachment C-3**, which refers to **Attachment C-4**, which is a translation of the German-language reference cited by the Examiner to support his rejection of the claims.

Applicant is filing a Request for Continued Examination concurrently herewith.

REMARKS

Amendment of the substitute specification was made to provide verbal antecedents for the amended language in claims 1 and 19. No new matter has been added.

The amended claims are believed to be patentable for the reason set forth on **Attachment C-3**.

Early and favorable reconsideration leading prompt passage of the case to issue is respectfully requested.
